## SPIRITUAL FOOD FOR THE WEEK

Faith has a mysterious touch to it. It drops like a mustard seed in the heart of human beings and multiples like the stars of the sky and the sand of the ocean. Sometimes it grows in the suffering of a person and other times in the joy of a person. Some find faith in their sickness and others in their health. Faith has a mysterious touch to it so that one might enter into it and might begin his spiritual journey home.

In today's Gospel, we meet with a woman who found her faith in her suffering, rejection and unhappiness. She decided to face the Lord with her frailties and weakness, and then she surrendered herself at His feet, looking for mercy and compassion. She was not holding anything, but exposed everything openly. And thus, she began her spiritual journey home. The Lord looked at her with unconditional love and said, "Your faith has saved you, go in peace." Our faith in Christ saves us from our challenges and difficulties. It brings meaning to our every day life and deepens our spiritual quest and heightens our spiritual awareness. As we offer ourselves in His presence, we too, like the woman in the gospel, might experience peace and joy; fullness and meaning. So let us go to Him as we are. Amen. **Father Peter**

## ON RICHES AND POVERTY...

We have taller buildings, but shorter tempers; wider freeways, but narrower viewpoints; we spend more, but have less; we buy more, but enjoy it less. We have bigger houses and smaller families; more conveniences, but less time; we have more degrees, but less common sense; more knowledge, but less judgment; more experts, but more problems; more medicine, but less wellness.....

St Therese Parish belongs to every parishioner. Your gifts and talents are needed in the parish. Do not sit on the fence. Speak to one of the priests of the good things which God is doing in your life and how you can use your gifts to serve him in our faith family — Father Stan and Father Peter
