SPIRITUAL FOOD FOR THE WEEK

This weekend we shall take some time to thank all fathers in our parish and pray for fathers throughout the world. We are reminded this weekend of the wonderful gift of being a father and a husband. I wish all fathers in the parish a wonderful Fathers' Day. May God bless you all and grant you the grace and strength to continue to be role models to your children, and faithful and kind husbands to your wives. We know from our faith that God is the source of all fatherhood. God is the model of fatherhood. Fathers are encouraged to love their children and wives after the example of God, our Father. God's love is unconditional; God's love is forgiving and kind; God's love is faithful, honest, and true. God's love is a love that gives, a love that creates and a love that sustains. Our children today need fathers who have character, strength, and deep faith and strong morals. They need fathers who can provide for their needs and teach them the value of hardwork. They need fathers who with their mothers can lead them to God and guide them to grow into the full stature of Christ, and live their dreams in a world of fleeting changes, and dizzying cultural transitions. **Fr Stan Chu Ilo**
