REFLECTION

By using the image of a vine and its branches, Jesus helped his listeners understand the interconnectedness of relationships between the Father, Jesus, and his followers. Jesus is the vine and we, the followers, are the branches that grow from the vine. The gardener, the one who provided the growth and did the trimming, was God. When we are living examples of God's love and act as Jesus did, we provide much fruit. When we fail to do this, we create a lot of dead wood and produce no fruit.

VOCATION VIEWS

Who shall come forward to explain the love God has for His people who should be one in faith? We need more faith-filled, prayerful and spirited people to make the Vine and the Branches One again. How about you?
