# PARISH MISSION

Next Monday February 8<sup>th</sup>, our Mission begins. Father Eugene O'Reilly will join us for the Saturday evening Mass, will preach at all the Sunday Masses and on through this "Sacred Week" in the parish. Each evening, beginning Monday night, the Mission services will start at 7:00pm. The evening services are scheduled to last approximately one hour. Each night following the Mission, there will be an opportunity for questions and discussions with coffee in the Parish Hall for those who wish. The Mission

concludes Thursday evening with celebrated Mass. It seems we have done everything possible to prepare for this Mission. We have searched for good and enthusiastic preachers. We have prayed for the success of the Mission. We have attempted to make everyone aware of what is going on. What happens now is completely in God's hands. Will the Mission achieve its purpose among us? That depends on how responsive we are to God's invitation to life!

Affectionally known as "Red", Father Eugene O'Reilly was born in Monaghan, Ireland in 1944. He came to Canada with his family and later joined the Redemptorists. Upon graduating with a B.A. from the University of Windsor, he pursued his theological studies in France and Montreal and was ordained in 1972. Since 1983 he has preached Missions and retreats to Parishes, teachers, School boards, Clergy and Religious throughout Canada and the U.S. He has also served in St. John's Newfoundland as Pastor of a large Parish. He has been vocation Director for the Redemptorists in the Eastern Province. Father "Red" completed a sabbatical year, part of which was spent at the School of Applied Theology, Berkeley, California. He has a particular interest in music, and has composed a number of religious songs. Some of his music is in the Catholic Book of Worship and the grade four and five Religion Programme in Canada. Mission preaching is Father "Red's" full time ministry and he brings to it a ready smile, a wonderful sense of humour and a compassionate understanding of people and the complex world in which we live. See you at the Mission!!!
