## EMBRACING "LIFE ABUNDANT": THE GIFT OF CATHOLIC TEACHING FOR END-OF-LIFE DECISION-MAKING Sister Mary Rowell, CSJ, PhD – November 24, 2009, 7:30-9:00 pm

Sometimes in our lives and currently in Canadian society we face difficult questions and choices especially those that relate to end-of-life decision-making. When we look around us we see evidence of many threats to human life and wellbeing. What are we to make of all of this in the light of our faith, a faith that reminds us of God's gift of "life abundant"? What are the gifts of our Catholic teaching for our living and dying? What does the Church really say about end-of-life decision-making? Please join in our faith community for a presentation and discussion of end-of-life decision-making. We will explore the Church's teaching on the sacredness of human life, caring for those who are dying, and on euthanasia. We will discuss practical issues including talking with our loved ones about dying, preparing advance directives and walking as people of faith with those who are terminally-ill, suffering and dying. Sister Mary, who is a bioethicist and teacher, will also respond to questions of concern we may have about these issues. I hope you consider a portion of your time to be with us as we discuss and learn more about our faith. Please mark the date on your calendar.

Fr. Vic.
