God bless you and your families this Easter

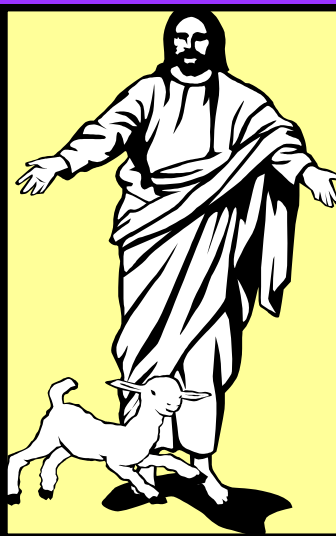

Dear Students, Teachers and Parents,

Peace and Love to you and your families. Easter is now upon us and it gives us the amazing opportunity to look at our families and our lives and reflect on how we invite our Lord into our daily lives. We remember how Jesus suffered and died for us and how he asked us to remember him in the Sacrifice of the Mass.

Since I arrived back at St. Therese parish, it has been wonderful to see you again and to meet some new faces at the schools and at Church each Sunday.

This is your parish and there are many ways that you can become involved here. I look forward to seeing you at our youth group, serving on the altar or being part of our youth choir. Keep up the good work.

Happy Easter and God bless you
Father Stan

About your Parish

We have some new committees here at the parish and they have been working hard to help our parish grow in faith and love.

Our children will be receiving their Sacraments of First Eucharist and Confirmation in the near future . Please keep them in your prayers.

We encourage you to consider joining one of our parish groups so that your talents and gifts can be shared among friends.

Thank You

Thank you to all our local schools who have been so very generous with collecting food for our food bank and pop can tabs for wheelchairs. We are very grateful for your generosity and caring for those in need. Keep up the wonderful work.

Thank you to those who are in our youth choir, those who attend our youth group and those who altar serve and read at our masses.
